

VOORHEES PLAYS EVEN.

Ex-President Grover Cleveland received a telegram a few days ago, I am told, from ex-Delegate Charley Voorhees of Washington Territory, the character of which was calculated to raise his dander to a high pitch. Herbert F. Beecher, son of Henry Ward Beecher, was appointed as Collector at Port Townsend, W. S., and recommended by a Senate Committee to be rejected because of his bad character. Mr. Cleveland thereupon withdrew the appointment and proceeded to make him a special Treasury Agent. Against this proposed appointment Delegate Voorhees protested in vehement terms. He said the man was a thief, and the appointment would be a disgrace to the Administration. Cleveland told Voorhees not to talk in that way, and there were some warm words about the matter. Last week, when Beecher's speculations became known to all the world and he was indicted for official dishonesty, Voorhees wired Cleveland that inasmuch as the President, who had appointed Beecher, had had ample notice that the man was a thief, it was now the duty of the man who made the reckless and disgraceful appointment to reimburse the Government and bondsmen for whatever losses they have suffered. If Mr. Cleveland's attitude is at all tender, the revelations of this telegraphic communication will cause him considerable soreness.—New York Graphic.

GATES OPENED.—The Truckee Lumber Company are driving their logs down the Truckee now and have the gates at Lake Tahoe open. This accounts for the high water in the river. It is too bad that the water cannot remain stored in the lake until it is needed for irrigation later on; but so long as the Truckee Lumber Company controls the water in the lake, just so long the ranchers will be bothered.—Gazette.

Commissioner Tanner denies most emphatically the published report that he proposed using a lot of Ex-Commissioner Black's private letters of a political nature that had been placed in his hands by an employe of the Pension Office. He has none of Gen. Black's private letters, and would not use them if he had, but he has a batch of official letters to various officials of the Pension Office that will show the manner in which the office was made to serve the Democratic party during the last Administration. These he proposes to make use of when the proper time comes.

There is considerable newspaper discussion over the naming of the new Government cruiser to be built in San Francisco. As Carson has not received much from the Administration, we would respectfully suggest that the vessel be named, "The Carson Banger." The woman who used to go by that name in this State about fifteen years ago, was of the clipper type, and considered by all odds the fastest female ever produced in the sagebrush.

Public Printer Palmer was waited upon in Washington on Tuesday by a Grand Army delegation who asked him to give the old soldiers and sailors their due. Palmer promised to give favorable consideration to the cases presented to him and further said that he would reinstate all veterans who had been discharged by Mr. Benedict. The widows and orphans would not, he assured them, be neglected.

Two or three soreheads who are always kicking and scouring at their deserved ill luck will neutralize the efforts of a dozen enterprising men who are striving to build up a town.—Gazette.

Judge A. S. Buckley has been committed to the Insane Asylum at Stockton. He was at one time a prominent lawyer of Stockton, Cal. Excessive use of liquor had destroyed his mind.

Commander Percy Hokin of H. M. S. Swiftsure died at Victoria, B. C., Sunday, of acute rheumatism.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 26 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 25 1/2; 3 year old record 2 16 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

JOHN P. SWEENEY, Prop'r,
